

RHONDA NICOLE

R & B / SOUL SINGER - SONGWRITER
LOS ANGELES, CA

THE ARTIST

Rhonda Nicole is an LA-based R&B/soul singer and songwriter (ASCAP) who began penning her own original songs at the age of 12. Born and raised in Dallas, TX on a healthy mix of her mama's Motown, her daddy's New Orleans jazz, and the contemporary sounds on FM radio, Rhonda Nicole's music reflects those early influences and her affinity for Minneapolis funk, '80s pop, and soul-filled, bluesy rock.

THE MUSIC

Rhonda Nicole's 2010 debut EP **Nuda Veritas** is southern soul at its finest. Her 2020 release, **Radical Ecstasy**, brings dance and electronica to her original R&B tunes. And her upcoming EP, **Home**, offers a fresh take on alternative R&B and ol' school quiet storm jams. She plans to release her first full-length album, **Love & Water**, in 2021.
